

From the collection of Denise D

I was inspired to make this quilt after seeing a completed one at a quilt guild meeting.

Five friends and I got together monthly for one and a half years to each work on flowers for our own quilts. Each of the five quilts turned out so different. There were only two, of the five quilts, that were done in dimensional appliqué.

Pattern: Grandmother's Garden Quilt
by Quilt in a Day Eleanor Burns and Patricia Knoechel

Technique: Rotary cut and machine pieced baskets, sashing and border.
Hand appliquéd flowers.

Pieced by: Denise D
