

Showcase Quilting

From the collection of **Judy S**

Judy is a past president of *Forest Lake Memorial Quilters*. The guild thanks an outgoing president by giving her a set of quilt blocks. The president supplies the focus fabric, specifies the pattern and size of the blocks.
(Judy chose the paisley purple.)

To quote Judy, “Wow, what fun and nice to have these great friends.”

This quilt is Judy’s own design, she pieced and machine quilted it.
