

# Showcase Quilting

*From the collection of: **Mary L***

I bought this pattern many years ago. It took that long to find the center panel I wanted and companion fabrics. Add in a couple more years to piece and finally quilt it.

My friends call it my “quickest quilt”. I finished it January of this year and it still hasn’t made it to our cabin.

Pattern Name/Manufacturer: ***Along the Gunflint Trail*** by Pine Tree Lodge

Pieced and quilted by: Mary L
